Your organization may be using single sign on (SSO) login credentials, or it may be using login credentials that are specific to *Ed, the HMH Learning Platform*.

- For direct to *Ed* (non-SSO) users, see Log In Directly to Ed instructions.

- For SSO users, the steps to log in to *Ed* vary by organization and by SSO provider. See below for typical steps.

How to Log In to Ed Using SSO

Most SSO users log in to *Ed* from their organization's account. See the instructions on the next page for details.

Some SSO users may log in to *Ed* using a direct link *before* logging in to their organization's account. If you do follow this method, you may be directed to the **Sign In** page. See instructions below to proceed.
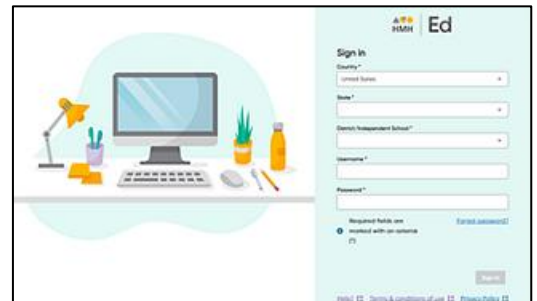

To begin log in from the Sign In page:

If you are an SSO user and attempt to open *Ed* (using a direct link) *before* logging in to your organization's account, you may be directed to the **Sign In** page.

➢ Complete the fields as follows:

a. In the **Country** field, begin typing the name of your country or select from the list.

b. In the **State** field, begin typing the name of your state or select from the list.

c. In the **District/Independent School** field, begin typing the name of your district, diocese, or school or select from the list.

Your organization's log in page appears. Continue with step 1 below.

To begin log in from your organization's account (*most common*):

1 Sign in to your organization's account.

2 Open your organization's platform portal. This is usually an internal organization site that provides a list of platforms to which you have access.

3 Click the *HMH Ed* link. The student **Dashboard** page appears.
