

Testing Session Page

[illegible]

Note:

The Testing Session screen displays student information in the **WAITING** tab based on the following criteria:

- The student has been given the session code
- The student has logged in
- The student has entered the session code
- The student has not yet selected an assessment

Approve and/or Deny Active Students

Note:

Click **DENY ALL** and all students are moved to the inactive list (color changes to gray).

Note:

Click **APPROVE ALL** and all students are moved to the **APPROVED** tab.

The screenshot shows the HMH ONE interface with the 'WAITING' tab selected. The 'APPROVED' tab is also visible. A 'STUDENT INSTRUCTIONS' button is on the left. On the right, there are 'DENY ALL' and 'APPROVE ALL' buttons. Below these is a table of students with columns for Student Name, Program Type, Grade, Level, Accessibility, and action buttons (DENY, APPROVE). The table contains two rows of student data.

Student Name	Program Type	Grade	Level	Accessibility	DENY	APPROVE
Joycelin R Leape	Continuum Benchmark Mathematics Assessm...	08	8	⊕	DENY	APPROVE
Vonni M Bellhouse	Continuum Benchmark Mathematics Assessm...	08	8	⊕	DENY	APPROVE

Did You Know?

When a student has selected an assessment to take from their assignment dashboard, the student moves to the active list (color changes from gray to black) and the student can be approved or denied.

Note:

Click **DENY** in an individual student row. The student moves to the inactive list (color changes to gray).

Note:

Click **APPROVE** in an individual student row. The student is moved to the **APPROVED** tab.
