Item Banks

Note: Dashboard content displays based on your entitlements and assigned roles.

Step 1
Click **PROCTOR A TESTING EVENT**.

Generate Code

Step 1

Click **GENERATE CODE**.
A session code displays

The screenshot shows the HMH Testing Session interface. At the top, there's a navigation bar with 'Back to My.hrw.com', 'Home', and 'Testing Session'. Below this, there are two status indicators: 'WAITING 0' and 'APPROVED 0'. A 'STUDENT INSTRUCTIONS' button is on the left, and 'DENY ALL' and 'APPROVE ALL' buttons are on the right. A table with columns 'Student Name', 'Program Type', 'Grade', 'Level', and 'Accessibility' is shown, with a message 'No Students Waiting' below it. A yellow callout bubble points to the 'GENERATE CODE' button in the top right corner of the interface.

CODE: L5V6L7

Did You Know?

A testing session code is active for 90 minutes after the first student uses the code to enter the virtual testing room.

Step 2

Write the session code on the board or read it aloud to students so that they may enter the virtual testing room.
