Your bundle has been created.
Bundle code: JEA8EZ

To create a new bundle with the same products, enter a name for bundle

**Note:** The maximum number of licenses you can bundle is equal to the lowest number of licenses available.

**Step 1**

Enter title, start and end dates, and number of licenses for the bundle.

**Step 2**

Click **Create Bundle**.

**Step 3**

Distribute the bundle code to students by writing it on the board or sending it in an email.

**Did You Know?**

Students use this code in the eTextbook app to retrieve the products you selected.
