Step 1

Click **Reports**, and then click **Quick Reports**. The report opens in a separate page displaying the status of your **Class Assignments**.

Progress and Reports

Step 2

If you have more than one class, click the class name box and select a different class from the class list. The **Class Assignment** report displays the results for the selected class.

Ms. Shea		Class Assignments		
		02/12/2016 to 08/17/2016		
		Start	End	
		08/17/16	07/16/16	07/16/16
		PMT Pretest work	Quiz	Geom
Student Name ▼ ▲	Average ▼ ▲			
Carder, Claire	67%	81%	67%	
Fox, James	90%	-	-	-
Jackson, Taylor	-	-	-	-
Jones, Andrea	-	-	-	-
Lynch, Eleanor	-	-	-	-
Ortega, Sophia	-	-	-	-
Vestal, Michael	100%	-	-	-

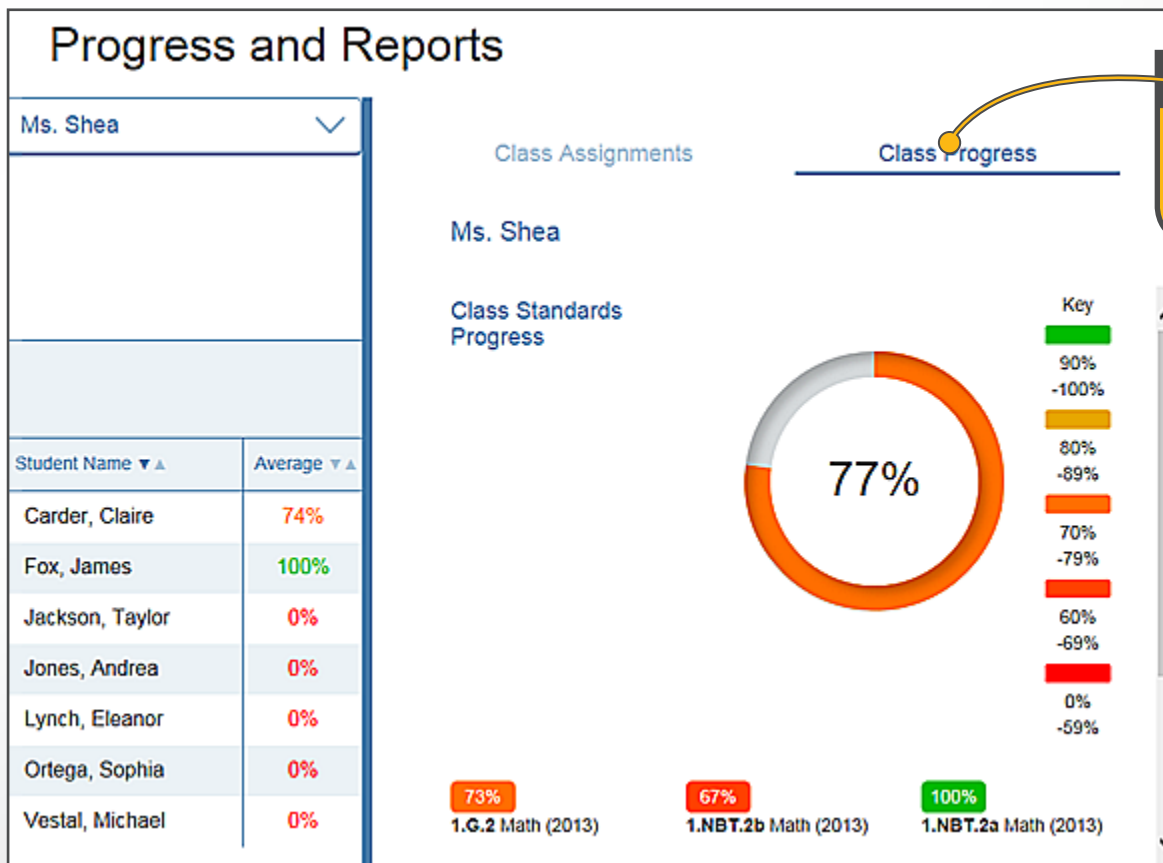

Note:

- If all the assignments cannot be displayed on the page, then a scroll bar is provided at the bottom of the report allowing you to scroll through the entire list of assignments.
- Sort the report list by clicking the arrows provided in the **Student Name** column or the **Average** column.

Step 3

To view assignments for a different date range, click the **Start** and **End** fields and select the desired dates.

Class Progress Page

Step 4

Click to view the standards progress for the selected class and date range.
