

Log In to HMH Ed™ Direct (non SSO) – Student

Your organization may be using single sign on (SSO) login credentials, or it may be using login credentials that are specific to *Ed, the HMH Learning Platform*. For SSO login instructions, see <u>Log In for SSO</u> users.

For specific-to-Ed login instructions, see the detailed steps below.

- > Before you can log in, you must have a username and a password.
 - If you are logging in to *Ed* for the first time, your administrator or teacher must provide you with your username and password information.
 - If you have forgotten your username or password, ask your teacher for help.

How to Log In to Ed Directly (non-SSO users)

Open *Ed* at the following URL: https://www.hmhco.com/ui/login

The Sign In page appears.

Note: If you have logged in to *Ed* before this session, your location information is already saved and the opening **Sign In** page shows the **Username** and **Password** fields. If so, skip to step 3.

- If necessary, specify your location information as follows:
 - a. In the Country field, begin typing the name of your country or select from the list.
 - b. In the State field, begin typing the name of your state or select from the list.
 - c. In the **District/Independent School** field, begin typing the name of your district, diocese, or school or select from the list.
- 3 In the fields provided, type your **Username** and **Password**.
- 4 Click Sign In. The student Dashboard page appears.
